White-Spring-

On Monday evening, the 16th inst., the huptials of Mr. Clarence M. White and Miss Esther A. Spring were solemnized by the Rev. Father Sylvestre, at the residence of Mr. and Mrs. Henry Davis, 258 King street. Strings of colored lanterns on either side of the garden path indicated the house as the scene of some event of more than ordinary interest. The wedding was a quiet but pleasant one, the company being composed of immediate relatives and intimate friends of the contracting parties. Besides the host and hostess, who managed the reception with fine good grace, there were present Mrs. M. Louisson, Mrs. R. J. Greene, Miss McGowan, Mr. and Mrs. H. M. Dow, His Excellency C. W. Ashford, Messrs. R. W. McChesney and Fred. Mc-Chesney, and a journalistic friend of the bridegroom. It was a handsome couple that stood up before the officiating clergyman, the bride looking charming beyond the conventional acceptation of the word. After being pronounced one and inseparable, now and henceforth, and receiving the cordial felicitations of all the witnesses, the happy pair with the whole com-pany withdrew to the dining room, where the ceremony of "cutting the cake"-that being one of Horn's masterpieces-was gracefully performed by the bride. Generous samples of this introduced a varied bill of other wedding refreshments, which were attended to with unconstrained sociality. Inspection of many elegant presents and congenial discourse then intervened until an early parting hour. The bridegroom is known both as a successful teacher and clever writer for the press, and it gives us great pleasure to have the opportunity of congratulating him on his choice of a life partner, as well as of wishing him and his fair bride a long and blissful

QUEEN EMMA HALL.

Hawaiian Branch of the Young Men's Christian Association.

Following is the report of the committee on the Queen Emma Hall Branch, read at the meeting of the Y. M. C. A., Thursday evening, by the Hon. A. F. Judd:

To the President and Members of the Y. M. C. Association of Honolulu-Gentlemen: The standing committee of five to whom was entrusted the management of the Queen Emma Hall enterprise, inaugurated in February, 1887, for the advancement of Christian work among the Hawaiians, Japanese and other nationalities, beg leave respectfully to report that the Trustees of the Queen's Hospital who own the premises allowed your Association the use of the same for six months at \$50 per month and did six months, at \$50 per month, and did some needed repairs, principally to the outside of the building. Your com-mittee found it necessary to do considerable more in the way of cleaning, painting, carpentering, matting, etc., and on March 12th dedicated the hall to its public uses. They have found it essential to employ a janitor, whose wages at \$3 per week have been paid from March 19th to December 17th. Many articles such as chandeliers, lamps, chairs, tables, pictures, books, newspapers and kerosene oil were contributed by friends, besides cash donations of \$101 tions of \$101.

The committee established the pay ment of a fee of \$1 per year to entitle Hawaiians to all the privileges of the building, but although a large number frequent the place only 44 have paid the fee.

The accounts stand thus:

ded upon the place. Through some misunderstanding no application has been made to your Association for funds with which to pay the rent. Up to December 31, 1887, we will owe the Queen's Hospital \$500 for ten months' rent. Your Committee are of opinion that

this should be assumed by the Associ-ation and advise that the matter of raising the funds to meet this be referred to the Finance Committee. The building has proved to be very

useful. A Debating Society for Ha-waiians was held weekly for about five months and was quite successful. A Singing School was started, but met with less good results. A Reading Society was begun, but so few Hawaiians are able to fully comprehend English that it was discontinued. The Blue Ribbon League among the Hawaiians

ously and we think the beneficial results from this temperance society is a fair return for the amount expended.

We have not been able to secure the interest of the Portuguese in any

has met there Friday evenings continu-

movement to use this building. The Japanese use their room for divine service on Sunday, and hold frequent meetings there, they having formed a benevolent society and a Y M. C. A., under the leadership of their Consul and his lady. We regard this work among the Japanese as most hopeful.

An effort to hold Sunday afternoon services for English-speaking Ha-waiians does not succeed in attracting a sufficient number to warrant the continuance of these services. On the whole, your committee ad-

vise that this branch of Association work be continued. It needs the aid of a larger number of those of our own race who speak Hawaiian and who sympathize with them.

But in view of all the circumstances your committee think it would not be wise to assume the responsibility of a long lease of the premises, and advise that the Association agree to take them for the term ending July 31, 1888, with the expectation of continuing, if it shall be deemed advisable. Respectfully submitted,

A. F. Judd, Chairman. January 19, 1888.
